Economic Impact Award

CRITERIA SELECTION INCLUDE:

INNOVATION
GROWTH
PROFITABILITY
QUALITY MANAGEMENT
ECONOMIC IMPACT
INDUSTRY/COMMUNITY REPUTATION

The Oklahoma Venture Forum Venture of the Year, Most Promising New Venture and the Award for Economic Impact are three of the most prestigious recognitions a company can receive. The awards represent the triumph of the entrepreneurial dream and spirit. Nominations and applications are now available for the May 17, 2023 OVF Awards.

The Oklahoma Venture Forum, as a means of publicly recognizing the achievements of successful Oklahoma businesses, has produced the awards biennially since 1989. The 2023 awards will be presented in ceremonies to be held on May 17th, 2023, at the Oklahoma History Center.

There is no cost to enter, but the competition is keen. Each finalist will be invited to attend the awards presentation and will receive a plaque recognizing its growth and success.

Evaluation criteria for the Venture of the Year Award will be based on:

- product or service innovation
- revenues and capital raised
- profitability
- management quality
- market penetration and growth
- economic impact
- industry and community reputation

Nominees/applicants for the Oklahoma Venture Forum Venture of the Year Award must have (1) launched its primary product/service within the past ten years, (2) generated sales revenues of \$1.0 million or more in its last fiscal year, and (3) shown material economic impact or innovation within its market. Capital raised can be considered and should be noted on the application. All nominated companies must be independently owned and operated (not a division, subsidiary, or controlled affiliate of another company) and headquartered in Oklahoma.
