The Oklahoma Venture Forum

Most Promising New Business Award

SOLICITATION FOR AWARD NOMINATIONS

The Oklahoma Venture Forum Venture of the Year Award and Most Promising New Business Award are two of the most prestigious recognitions a company can receive because they represent the triumph of the entrepreneurial dream and spirit. Nominations are now open for the 2018 awards.

The Oklahoma Venture Forum, as a means of publicly recognizing the achievements of successful Oklahoma businesses, has produced the awards biennially since 1989. The 2018 awards will be presented in ceremonies to be held on May 9th, 2018 at the Oklahoma History Center.

There is no cost to enter, but the competition is keen. Each finalist will be invited to attend the awards presentation and will receive a plaque recognizing its growth and success.

Evaluation criteria for the Most Promising New Business Award will be based on:

- product or service innovation
- actual or potential revenue growth
- funding
- leadership/management quality
- market potential
- potential economic impact
- industry and community recognition

Nominees for the Most Promising New Business Award must have been formed after January 1, 2015. Financials should support a business growth trend as evidenced by revenue or capital formation. All nominated companies must be independently owned and operated (not a division, subsidiary or controlled affiliate of another company) and headquartered in Oklahoma.

Nomination forms for both awards are enclosed. Please consider nominating one or more successful or promising Oklahoma businesses. Companies are also encouraged to nominate themselves.

The award winners will be selected by judges from the OVF membership. The judges will review the information on the forms and may request additional company and financial information. All information will be kept confidential.

Nominations must be completed and returned by January 26th, 2018, to the Oklahoma Venture Forum at the address on the form. If you have any questions concerning the awards, please contact OVF Executive Director, Che' Loessberg, che@ovf.org.
